

PFEW 2016 High School Honor Roll

Students from the following high schools have dedicated a week of their summer to learn about America's free enterprise system. It is not only their motivation, but motivation from their educators that made these students aware of this truly unique learning experience. In recognition of the overwhelming support from so many schools across the state, the High School Honor Roll includes four categories representing schools with the highest numbers of student graduates. Our sincerest appreciation to all those who devoted time and energy to recommending distinguished students from across the Commonwealth.
